Physicians Hospital System To Host Medical Students/Residents

PHS Signs Affiliate Agreement with the Indiana University School of Medicine

Mishawaka, IN –July 22, 2010 – Physicians Hospital System (PHS), a network of physician-owned healthcare facilities providing a continuum of care to patients in northern Indiana and southern Michigan, announced today that an affiliate agreement has been signed with the Indiana University School of Medicine at Notre Dame.

“PHS has led the way regionally and nationally in demonstrating the many advantages of physician-owned hospitals,” said Cameron Gilbert, Ph.D., President & CEO of Physicians Hospital System. “Our successes in clinical outcomes and improved hospital efficiencies have allowed our hospitals to excel in very difficult times. We are pleased to be able to impact the development and future of physicians in our medical community.”

The agreement provides that PHS will host students and medical residents at the three major facilities in its system: Unity Medical and Surgical Hospital, RiverCrest Specialty Hospital and Doctors Hospital and Neuromuscular Center.

About Physicians Hospital System--

Physicians Hospital System (PHS) is a network of physician-owned facilities providing a continuum of care to patients in north central Indiana and southern Michigan. Made up of physician practices and clinics, PHS features Doctors Hospital and Neuromuscular Center in Bremen, Indiana; RiverCrest Specialty Hospital and Unity Medical and Surgical Hospital, both in Mishawaka, Indiana. PHS facilities provide general, orthopedic and spine surgery, neuromuscular treatment and long-term acute care. To learn more, visit our web site: <http://www.physicianshospitalsystem.com>.
