DOCTORS HOSPITAL AND NEUROMUSCULAR CENTER TO HOST OPEN HOUSE TO MARK FOURTH ANNIVERSARY

Free Health Screenings Available

Bremen, IN –April 13, 2010 – Physicians Hospital System (PHS), a network of physician-owned healthcare facilities providing a continuum of care to patients in northern Indiana and southern Michigan, announced today that Doctors Hospital and Neuromuscular Center (DHNC) in Bremen, Indiana, will hold an open house celebrating the fourth anniversary of the facility. The open house is Sunday, April 18, 2010, at the hospital.

Located in the former Bremen Community Hospital, Doctors Hospital and Neuromuscular Center is an inpatient physical rehabilitation hospital. The open house will be from 1:00 to 4:00 p.m. and is open to the public.

Doctors Hospital and Neuromuscular Center offers a team approach of physicians, therapists, and healthcare professionals working together to deliver individualized health plans to patients that include medical care, pain management, rehabilitation, physical and speech therapy. Patients who have benefited from treatment at DHNC are dealing with pain, orthopedic injuries, stroke, severe arthritis, MS, Parkinson's Disease, brain or spinal cord injuries, neurological disorders and other diseases.

The open house will offer area residents the opportunity to see the changes and the upgrades that have been made to DHNC. "We recently completed our own rehabilitation program on our facility to refresh the look of the hospital and give patients and staff a more open and airy feel," said Randy Holland, Director of Plant Operations. "We are pleased to not only be able to invite area residents in to see our new look but to also celebrate our fourth year as a rehabilitation hospital for the area."

Tours, refreshments, and door prizes will all be part of the day's activities. "Best of all we will offer a number of free health screenings for adults in our therapy department. Proper hand washing technique, balance screening, strength screening and the use of the Wii as exercise for better health," said Chief Nursing Officer Donna Stealy, RN. "Our staff is excited to be able to showcase Doctors and its services."

About Physicians Hospital System--

Physicians Hospital System (PHS) is a network of physician-owned facilities providing a continuum of care to patients in north central Indiana and southern Michigan. Made up of physician practices and clinics, PHS features Doctors Hospital and Neuromuscular Center in Bremen, Indiana; RiverCrest Specialty Hospital and Unity Medical and Surgical Hospital, both in Mishawaka, Indiana.
